Thank you for purchasing my module. If you have any questions that are beyond the scope of this help file. Thanks so much!

Table of Contents

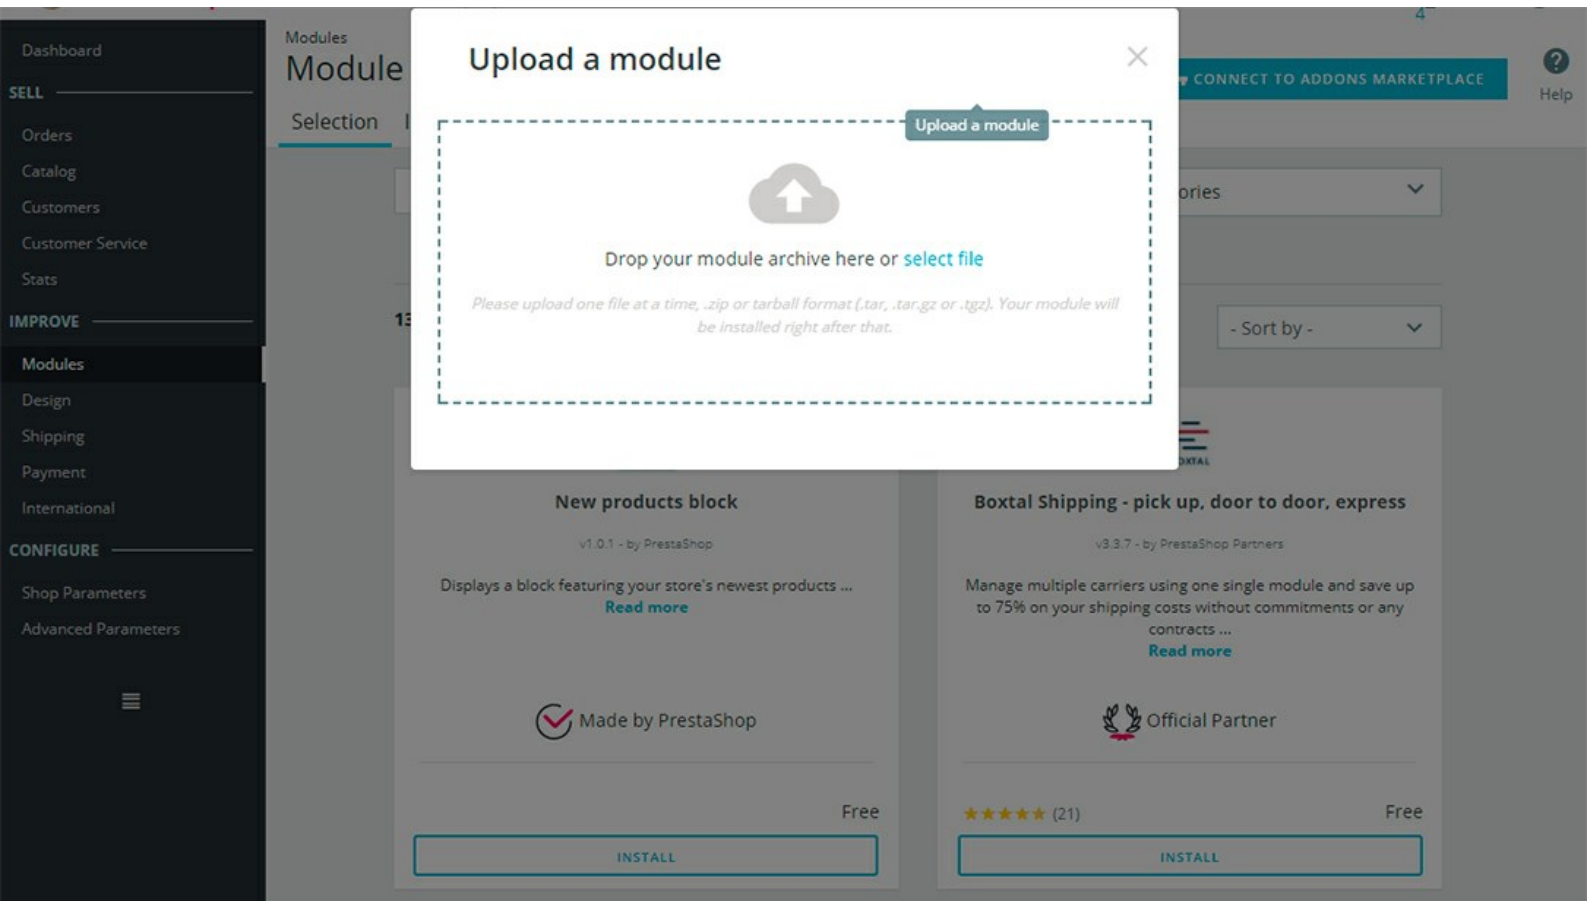

- A. [Installation module](#)
- B. [General Setting](#)

A) Installation module

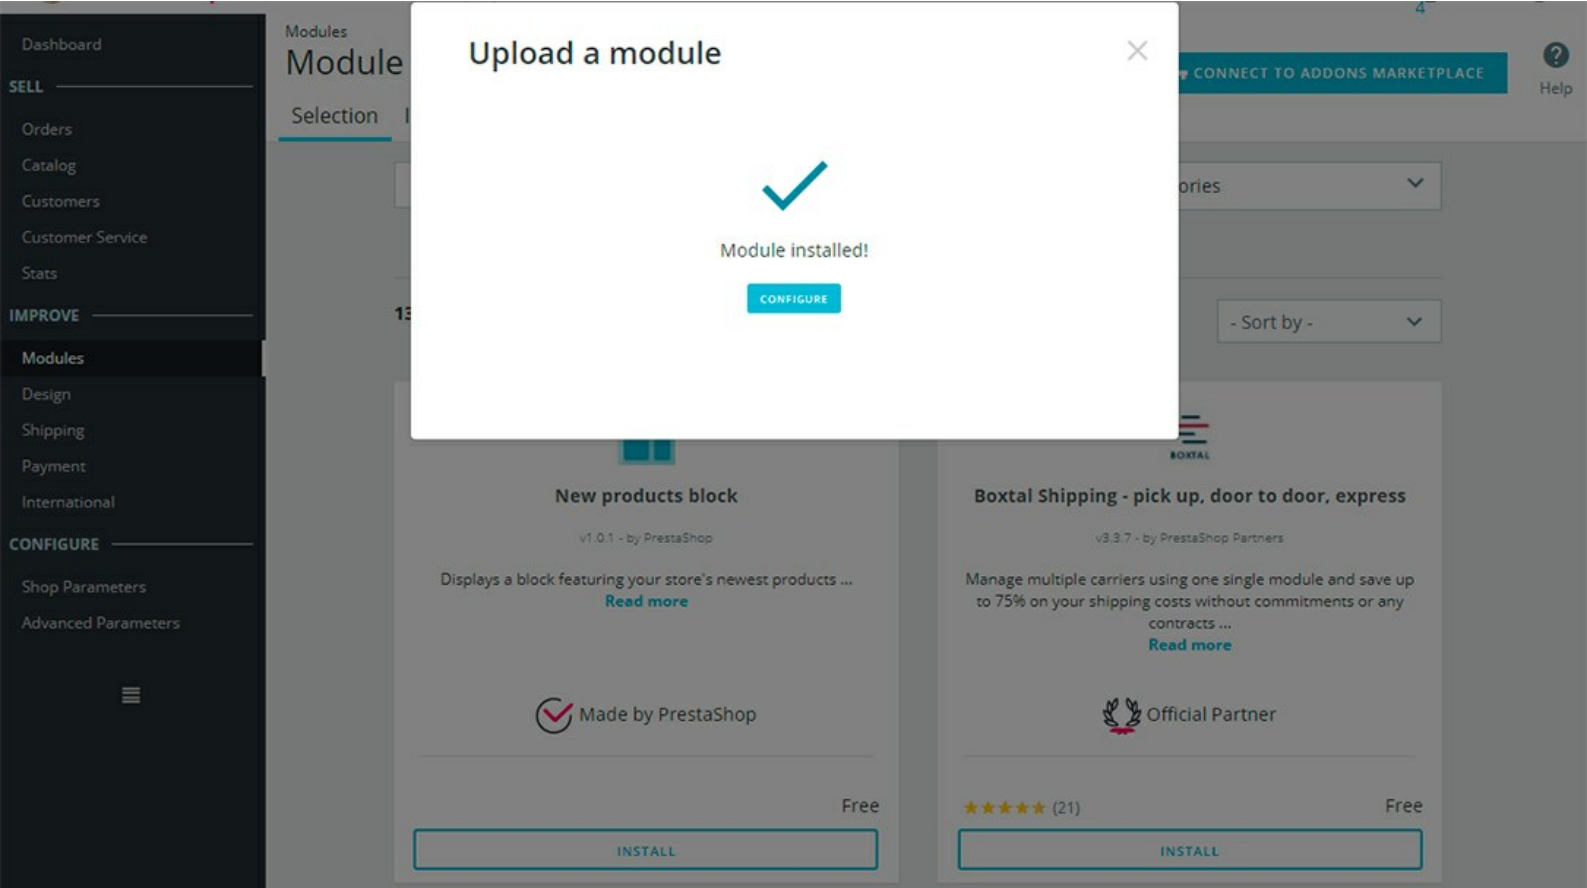

Go to your your Back-Office and open module section.

Then click on the button “Add new module”

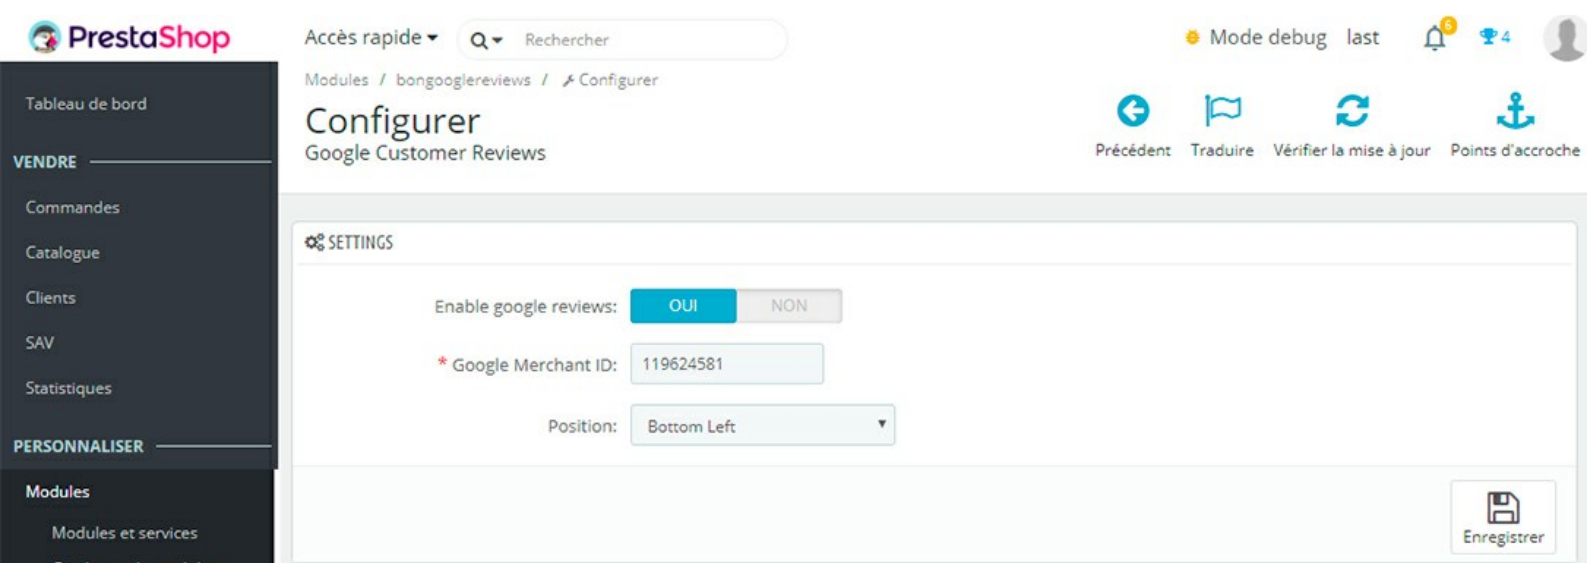

Choose the file on your computer bongooglereviews.zip and upload the module to your shop.

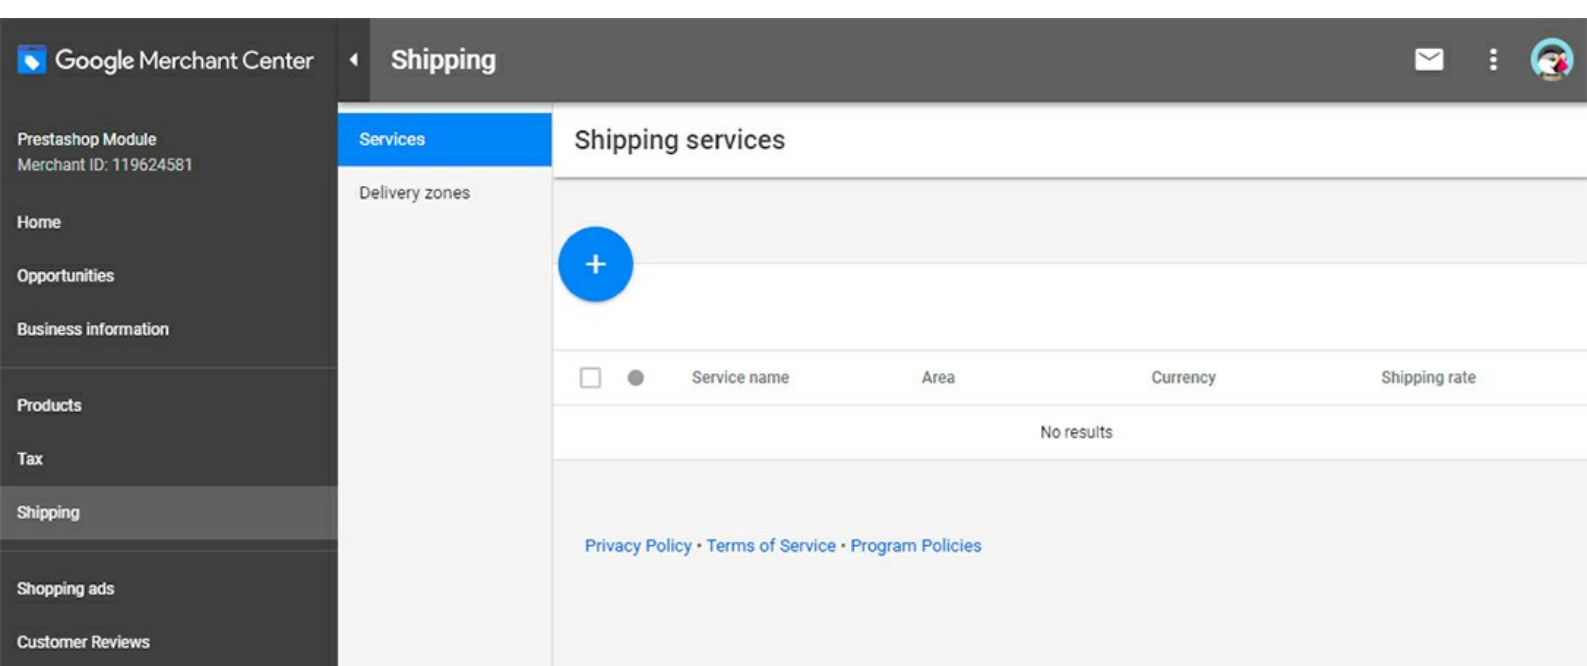

B) General Setting

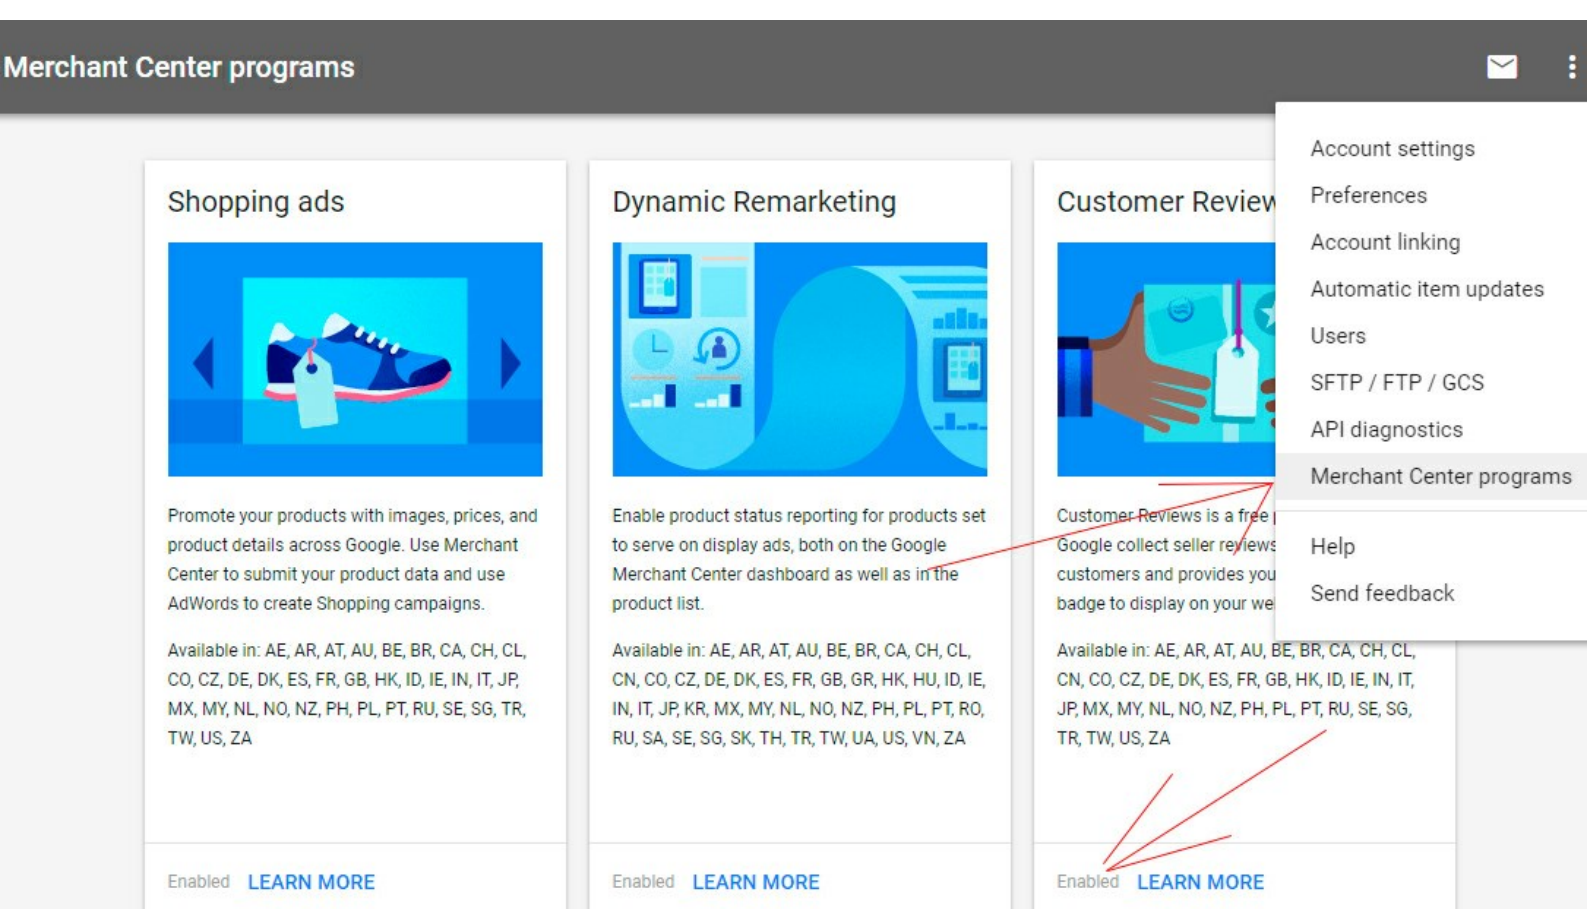

Configuring the module is really easy.

Note: In order to start, a merchant has to sign up for Google merchant center account. The merchant's e-commerce store must comply with all the technical guidelines given by Google to successfully display a badge on the store. Check all technical guideline [here](#).
